# A BRAND NEW SOURCE: OFFICE-BASED PHYSICIANS BY SPECIALTY AT POSTAL ADDRESS

Counts Through May 2009

Updated June 2009

**Overview:**

487,880 Physicians at Office Address \$75/M

**Description:**

A Brand New Source Office Based Physicians at postal business address is compiled using innovative web crawling and spidering software, along with the most sophisticated market research and survey methodology, which delivers to you the most current information each doctor has published to the web, or included in some on-line registration or as a trade show attendee.

Telephone surveys, e-mail blasts, and other QC techniques are also employed to assure that the captured data is indeed the freshest available. Data is compiled daily, so there is no cleaner data on the market.

Say goodbye to compiled data culled from printed materials that can be a year old or older. Say Hello to the best-compiled data you will e-mail in your next campaign.
