

## A BRAND NEW SOURCE: PLASTIC SURGEONS AT E-MAIL ADDRESS

### Counts Through May 2009

**Overview:**

18,693 Plastic Surgeons @ E-mail Address \$175/M

**Description:**

A Brand New Source Plastic Surgeons @ E-mail Address is compiled using innovative web crawling and spidering software, along with the most sophisticated market research and survey methodology, which delivers to you the most current information published to the web, or included in on-line registrations or trade show attendee lists published to the web

This is the ONLY e-mail list available for Plastic Surgeons in the United States.

Telephone surveys, e-mail blasts, and other QC techniques are also employed to assure that the captured data is indeed the freshest available. Data is compiled daily, so there is no cleaner data on the market.

Say goodbye to compiled data culled from printed materials that can be a year old or older. Say Hello to the best-compiled data you will e-mail in your next campaign.
